

### Removes Wrinkles and Refreshes Tired Faces

As the skin tends to expand in warm weather, causing wrinkles to form, a good astringent-tonic lotion should be used these days. Dissolve an ounce of pure powdered ascorbic acid in a half pint of witch hazel. Bathe the face in this and see how quickly the wrinkles and furrows will disappear—and how much younger you will look! There's nothing better for sagging cheeks or double chin, or for enlarged pores.

Use this simple lotion during the heat of the day and you will find it wonderfully refreshing. You will lose that wilted, tired look. The ingredients of course are perfectly harmless. Be sure to ask the druggist for powdered ascorbic acid. (Adv.)

### For Headaches DISCOLAX

### It's Powdered

That's why it saves soap. Use GRANDMA'S Powdered Soap and stop wasting expensive bar soap by leaving it in water to waste away. Won't shrink clothes. Won't injure skin.

## NO DANGER OF SEX WAR IN THIS COUNTRY

### National War Labor Board Squarely for Equal Pay for Equal Work.

Washington, Aug. 22.—There is no danger of a "sex war" in this country because of the employment of women in industries, the Y. W. C. A. war work council announced here today.

"The national war labor board," said a representative of the council, "has stood squarely for the proposition of equal pay for equal work and its first step in this direction was with the general electric company at Pittsfield, Mass., where equal conditions for men and women prevail."

The board has appointed Miss Margaret Dismore, especially released from the British labor ministry by Premier Lloyd George for this purpose, it was announced today, to take charge of a corps of investigators who are co-operating with Y. W. C. A. officials in the supervision of women in industry, and officials here stated that the equal pay principle will eliminate any possibility of a so-called "sex war," but to place women in industry so that they can release fighting men for the most vital and general and the department of war, American men and women have no time to think of any "sex wars."

It was explained that there have been many cases of officers found guilty of offenses that show incapacity to command troops, but who could do service as privates if the law permitted.

## Will the Life Insurance You Now Carry Meet the Increased Cost of Providing For Your Family?

Have you given the subject of Life Insurance any thought lately? Have you given consideration to the fact that the cost of living has out-distanced the provision your present insurance will make?

### Statistics Show American Lives Under-Insured

This fact is startling, but no less true, that 33% of the people of the United States die without leaving enough to defray funeral expenses.

### "Insure Your Life For \$10,000.00"

That is the advice given by the United States Government to its soldiers and sailors, while the Y. M. C. A. requires its workers overseas to carry at least \$5,000 of Life Insurance.

### Stop and Consider Values Today!

Everything costs more—a GREAT DEAL MORE. Have you increased your Life Insurance to take care of this increased cost of living?

### It Will Not Cost Much to Take Out Additional Life Insurance

Safeguard your family against poverty or even against any possible discomfort by increasing the amount of insurance you now carry. Whether or not you are here to support them, their expenses roll along just the same, and those expenses are increasing almost daily. They must have more now than they would have needed a few years ago.
